5th July, 2019

Dear Parents,

I want to start off with a huge thank you to everyone who was involved in the PTA Summer Fair on Saturday. It was a great event, even though the weather was a bit miserable to begin with. The PTA are currently counting up the takings and we will share the amount made once we have a final figure.

As we enter the final two full weeks of term we have a number of events to look forward to. We hold our annual inter-school cross country event for Year 2/3 teams this Thursday 11th July. Oliver! will be performed next Monday 15th July and Tuesday 16th July. On Friday 19th our Year 6s will perform their Leavers' Assembly and the following week sees the Staff vs Year 6 rounders match and the bike rides for children in Year 2 to Year 6. Can we remind you that the children who want to take part in these bike rides need to be confident when riding their bike (being able to start, turn and stop safely) and the bikes need to be in full working order (tyres pumped up, chain well oiled and brakes working correctly) as well as being the correct size.

Thank you for your continued support.

Kind regards
Chris Short
Headlearner

The kitchen will be providing a special Year 6 Leavers' lunch on Friday 19th July. More details to follow.

Please can you ensure that children are supervised on school premises in the morning before the playground gates are open. Be aware that cars will still be coming in and out of the car park at this time.

It is almost time for our annual summer bike rides for years 2-6, taking place on Tuesday 23rd July.

Please note that in order for your child to participate they must have a bike that is in good working order, with working brakes and fully inflated tyres.

Each child must wear a helmet.

Please also be aware that we will be cycling along the trans-pennine way to Lymm and back and your child must be able to complete a ride of this length without needing help and without the need for stabilisers.
