

Bradshaw Buzz

5th October, 2018

Dear Parents,

We have had another busy week this week, with one highlight being the visit of Pride Performance Gym. The children from Years 2 – 5 spent some time working with the coaches and all enjoyed the exercise. The team at Pride are keen to offer more opportunities to the children and have also offered to support the PTA with donations if any parents sign up to one of their classes. During their visit we spoke about using the school hall for a parent session on Tuesday mornings, once the children have been dropped off. This will be from 9:15am for 45mins. This ties in nicely with the Active Cheshire Pledge that school has taken. This is to try and increase the physical levels of the children, but we are also hoping to help parents and families to increase their participation too. You will be asked to show your support to this pledge at the parents meetings on 18th October.

For the first time we will be trialling an online booking system for the parents evening. This will be through the ParentMail system that you have received this Buzz on. Please keep an eye out for the information about this, which will be sent early next week.

Thank you for your continued support.

Kind regards

Mr C Short
