

Bradshaw Buzz

14th September, 2018

Dear Parents,

A slightly delayed welcome to the start of the new school year and a very warm hello to all of our new reception class children and families. We are hoping that this year will be another exciting and stimulating one for everyone. There are lots of events, trips and activities planned for this term and it will promise to be a very busy one, as always.

We said a sad farewell to Mrs Lloyd from the school office last week, she will be missed by all of us. We would like to welcome Mrs Sczcepanek to the school office and also Miss Rosa, who has taken on a role in the Reception classroom.

The main dates for this term are on this newsletter, but they are also on the school website – which is updated regularly.

A reminder that 'chip day' will now be on Thursdays moving forward and that all meals and morning snacks need to be paid for through the ParentPay system. We are still looking to use this as our main method of communication and potentially for payments for trips in the future.

Thank you for your continued support.

We Will Remember Them

Our focus for our Arts Celebration week this year will be WWI. We will be interested to hear from any family who lost a relative during the Great War as a focus for the children to understand how the war affected everyone. If you have a name of relative, who lived in Grappenhall, who lost their life in the war please contact school.

Save the Date

Can all the families of children in Reception, Year 1, 2 and 3 save the evening of 13th December in their diaries.

Kind regards

Mr C Short
Head Learner

FORTHCOMING EVENTS

Monday 17 September, 2018

PTA Meeting 7-8pm in the staffroom

Tuesday 18th September 2018

Foxhowl Parents meeting 2.45pm
Forest School Yr 4

For some valuable E-safety information please see next page.

Please Note

In keeping with our active school pledge we will still be taking the children outside at break times even if it is a little rainy. As such can you please make sure your child has a suitable coat in school at all times.

Thankyou

E-SAFETY

A reminder for parents to use [Commonsensemedia.org](https://www.commonsensemedia.org). It is an extremely useful website which reviews films, books, games, apps etc and gives the point of view of children, parents and the relevant industry to explain reasons behind age ratings and enable you to make an informed decision as to whether something is suitable for your child or their friends.

Please check the settings on your home devices such as Alexa or google devices as they may not have parent settings on them and children may be able to access functionality you would rather they did not.

Please see below for information on how much money has been raised by the PTA during the last school year.

Total Raised 2017 – 2018:
£8,394.38

BRADSHAW SUPERSTARS—FRJDAY, 14 SEPT, 2018
