Dear Parents,

The term is in full swing now and our Reception class are in full-time and have met their buddies, who are helping them to settle in to school. We already preparing for our Harvest festival and a number of trips will be taking place over the next few weeks too. We will also be holding our first Parents' Council meeting of the year on Monday 1st October at 9:30am. This is a forum for parents and school to get together and look at area that concern you all, in the past we have looked at uniform, photographers etc. All parents can come along to this, if you cannot make it but have something you would like us to discuss please contact the school office and we can add it to the agenda.

Can I remind you to ensure your children have their coats with them every day as they will be going out to do the daily mile unless the weather is very inclement. Also we have asked that children taking part in after-school clubs be seen out of school from the main entrance from now on.

Thank you for your continued support.

Kind regards

Mr C Short

10 APPS TEENS ARE USING THAT PARENTS NEED TO KNOW

- Calculator%**
This app looks like a calculator but functions like a secret photo vault.
- Hot or Not**
Strangers rate your profile. Goal is to lead to a hook up.
- Omegle**
A free online chat website that promotes chatting anonymously to strangers.
- Burn Book**
Post anonymous rumors about people through audio messages, texts, and photos.
- Snapchat**
This is the way most teens communicate with each other. Sending messages and snaps that disappear within seconds and stories go away after 24 hours. Teens live for a "streak" of communication.
- Wishbone**
An app that allows users to compare kids against each other and rate them on a scale.
- Whisper**
An anonymous app where the creators promote sharing secrets and meeting new people.
- Kik**
Messaging app. Kik has built in apps and web content that would be filtered on home computer.
- Ask.fm**
Ask an anonymous question and get an answer. This app has been linked to the most severe forms of cyberbullying.
- Instagram**
Many kids are now creating fake accounts "finsta" to hide content from parents. Kids also like to text using Instagram because most kids know parents won't check messages.
