Dear Parents,

After a week of sporting events both at school and at Orford Jubilee Hub we turn our attention to the final few weeks before the summer break. This week sees Year 5 on a trip to Liverpool today and the rest of the school enjoying time with a Flamenco dancer and guitarist (kindly paid for by the PTA). Also the preparations for the Summer Fair continue with the current weather forecast for Saturday being fine and dry. We hope as many of you as possible can make some time to come along to enjoy the event.

As you will know the children from Year 2- 6 are invited to take part in the annual bike rides along the transpennine trail to Lymm. The rides are a great experience for the children, but we need to ensure that they are capable and have stamina to take part along with their bicycle being safe and the correct size for them. We want all children to enjoy their time on the ride and hope that you are able to help them do this. We also enjoy having as many of you helping on the day, please let us know if you are able to come along and ride with us on the day.

At the end of the last half term we set up a questionnaire about the changes to the morning routine, but the link to this did not get shared as well as we had hoped. If you have not had chance to complete the form, could you please spend 2 mins doing so. The form is [here](#).

Thank you for your continued support.

Kind regards
Chris Short
Headteacher

A reminder that we will be sending reports out as emails this year.

Do we have the best email address for you? If not contact the school office.

Please can you ensure that children are supervised on school premises in the morning before the playground gates are open. Be aware that cars will still be coming in and out of the car park at this time.

It is almost time for our annual summer bike rides for years 2-6, taking place on Tuesday 23rd July.

Please note that in order for your child to participate they must have a bike that is in good working order, with working brakes and fully inflated tyres.

Each child must wear a helmet.

Please also be aware that we will be cycling along the trans-pennine way to Lymm and back and your child must be able to complete a ride of this length without needing help and without the need for stabilisers.
