

Bradshaw Buzz

30th November, 2018

Dear Parents,

I would like to begin with some good news. Mrs Goulden gave birth to a baby boy, Arthur, on Friday, he is fit and healthy and back at home now. We will pass on your best wishes to all the family.

As we enter the final few weeks of the term the children are working hard both in the class room and also in preparation for the performances next week, the carol concert and singing round the tree the week after. It is always an exciting yet tiring time of year for all involved. Unfortunately, all of the tickets for the performances on Wednesday 12th and Thursday 13th have now been sold.

I would like to draw your attention to a new website that has been developed by the council – [My Life Warrington](#) – this gives information on all aspects of living in Warrington and should provide one place to find any information you will need.

Finally, a reminder of a couple of dates coming up –

Please see following information on guidance regarding earrings and hair accessories in school.

Earrings:

If your child wears earrings for school they must be small and simple studs. Your child will be asked to remove them if they do not follow these school rules.

Earrings and PE:

Earrings should be removed for PE lessons. If the earrings cannot be removed then the child should come to school on their specific PE days with sufficient tape over the earrings to prevent injury to themselves or others during the lesson. Staff will not do this in school time and staff will not remove the tape after the lesson. It must be done at home before school.

Bows, ribbons and headbands:

These must be simple, small and in school uniform colours. Anything other than this and your child will be asked to remove them and store them safely in their bag.
